Meet Kendra Anderson, she graduated from Gillette College in 2016 with an Associate of Applied Science degree. She works as a contracted Project Coordinator, with the Office of Economic Transformation. Kendra stays very busy when she is not working by helping her husband build log homes, and with 5 children and 4 grandchildren. Within her 12 years in Campbell County, she has worked over 10 years in Campbell County Government positions. Everything from Elections Coordinator to the Chief Deputy Clerk in the County Clerks Office. Kendra shines as a leader and a go-getter with her multiple accomplishments, such as, GALI graduate, co-chair of the Business Advocacy Committee, a member of the Campbell County Energizers Committee, and an involved member on our own Gillette College Alumni Association.

When speaking with Kendra you can always feel her positive, energetic, and motivated energy that she exudes. Her 5-year plan includes finishing her bachelor's degree at the University of Wyoming and completing the strategic plan for the Office of Economic Transformation to see how the sustainability will play out, all while continuing to work with her husband as time allows. Kendra is definitely a shining star in this community, and we are very proud to say she is a Gillette College Alumni. Thank you Kendra for all you do and being such a positive involved person in our community.
