*GC Alumni Newsletter*

Meet Gaylene Spence Boyle. Gaylene is a shining star in our Alumni family. She has graduated in 2016 with a Secondary Education degree, 2017 with a business degree, and 2021 with Administrative Assistant Certification. She is on track to soon graduate with a 4th degree from Gillette College.

Gaylene has many hobbies that span from playing video games, reading, riding her trike, and quilting. Gaylene started out as a student employee at Gillette College in February of 2015. She moved onto a part-time position in financial aid and testing center until December of 2017.

Gaylene decided to take on the bookstore in August of 2016 and was promoted to manger in December of 2017. She held that position for many years until she moved onto records and registration in February of 2023. Gaylene has definitely stayed involved on campus through her work and school.

She has future plans to continue working at Gillette College and taking classes through the University of Wyoming. Her 5-year goal is to complete her business HR bachelor's at UW.

Besides being a very driven, kind, hardworking woman. Gaylene is married with 6 kids, and 11 grandkids (#12 on the way soon) that keep her very busy. Gaylene has proven over and over in her life that you can achieve anything you want anytime. She always is setting new goals for herself and striving to build on her knowledge she has got at Gillette College.

Gaylene is a wonderful role model and deserves the Alumni Spotlight every day. Thank you for representing Gillette College, and always continuing to better yourself and your community.
